

Food Vendor Application | June 17 & 18, 2023

The festival will again be located on the downtown Minneapolis side of the Mississippi River. There are two primary food courts at the Stone Arch Bridge Festival (SABF) – one located in the Mill Ruins Parking Lot and the other near the Hennepin Bridge located behind the Federal Reserve Bank. Both food courts feature approximately 10 – 12 food vendors. There are also a few vendors located south of the Hennepin Avenue Bridge.

FESTIVAL HOURS

June 17 10AM-7PM - Artist Booths/Music
June 18 10AM-5PM - Artist Booths/Music

BEVERAGE SALES – BUY DAILY FROM US!

All soda and water will be sold on-site by SABF and a non-profit group. You may purchase direct from the festival each day to sell in your booth. We offer soda & water at \$2/bottle – any vendors also selling must retail at \$3/bottle to match festival pricing. If you decide to sell, we will provide you with an order form on-site and deliver product to your booth each day. If you want to sell your own soda & water brands, you may pay the additional selling fee of \$700. You must also agree to sell 20oz. plastic bottles (no cans) at the same price point as the non-profit group. Non-compliance will be grounds for dismissal from the event.

Lemonade, fruit juice, smoothies, and/or coffee are permitted and considered “Specialty Beverages.” If you would like to sell specialty beverages, please indicate that on your application.

ELECTRICAL

We rent generators that supply electricity to the festival and all food vendors. Vendors share the cost of the generators. You will be charged an additional fee based on your usage. We will supply electrical drops to your locations based on needs indicated by you on your application. You will be responsible for providing 12 gauge extension cords beyond that drop.

Please be specific about your electrical needs on your application. You will only be provided with the amount of power that you request on your application. This includes refrigeration trucks that you plan to have onsite. If you do not request the power for the onsite trucks in advance, we may not be able to provide you with it. If we can accommodate you, there will be an additional fee.

Each vendor will be responsible for any fees associated with state inspection of their booth – electrical and health inspectors will be onsite.

FOOD PERMIT

All food vendors must meet all state and city health and safety requirements. Vendors must obtain either a Seasonal or Short-Term Food Permit from the City of Minneapolis. Information on food permits can be found at: **City of Minneapolis Licenses and Consumer Services**, 350 South 5th Street – Room 1C, Minneapolis, MN 55415–1391 **Phone: 612-673-2080.**
